ONTARIO – April 14, 2021. Ontario Chamber of Commerce members and town officials, Frank Robusto, Ontario Supervisor and Robert Kelsch, Deputy Supervisor, welcomed **Immediate Care, Family Health, NP** to our Ontario business community with a ribbon cutting ceremony sponsored by the Ontario Chamber.

The facility is owned by Patricia Venniro and Denise Ruiz, both Family Nurse Practitioners. Venniro is from Webster and Ruiz is from Walworth. Both realized there was a need for medical services in the Town of Ontario and felt the location at 6280 Furnace Road, Suite 600 in the Tops Plaza, next to Lyons National Bank & Dunkin Donuts, was an ideal spot. A tour of the facility highlighted the four examine rooms, an x-ray room, a procedure room, storage supply area, office areas, and a medical equipment room. Chamber members noted that Immediate Care Family Health adds to the quality of life for Ontario residents by having closer and safer access to medical help.

AFTER NEARLY TWO HUNDRED YEARS as Ontario’s retail “center,” the Ridge & Ontario Center Road intersection has evolved from a tavern, hotel and restaurant to the current home of Walgreens Pharmacy. Selected as the *Business of the Month* for March, 2021, by the Ontario Chamber of Commerce, Inc., the store has 8 full & 9 part-time employees (see photo) and offers drive-thru and curbside pharmacy and retail services to customers in western Wayne and eastern Monroe counties. Store manager Katrina Penders noted that “we treat our customers like they are family members and provide them a friendly, comfortable and safe place” to obtain medicines, have photos processed, find beverages and grocery products and choose from a wide selection of greeting cards, cosmetics and health care products. More recently, customers have obtained rapid COVID tests and shots along with flu & shingles’ vaccinations.

In cooperation with the Arc of Wayne County, the store offers a work experience program for eligible persons. Customers can submit digital photos on line and have processing completed the same day. Donations for the Ontario Food Pantry are accepted at a collection site in the lobby. Western Union & Fed Ex services are also available along with call-in prescription renewals and pre-arranged pharmacy service text, e-mail or phone message reminders.

Store hours are 8 a.m. to 9 p.m., Monday thru Saturday, and 9 a.m. to 6 p.m. on Sundays. Pharmacy services close at 6 p.m. on Saturdays and 5 p.m. on Sundays as well as from 1:30 to 2:00 p.m. for lunch. 6285 Dean Parkway
Ontario, NY

ANOTHER HIDDEN GEM IN ONTARIO!! Custom HVAC units and solutions from Buffalo to Syracuse are designed and produced by L & B Fabricators in nearly 18,000 sq. ft. of space at 6285 Dean Parkway!! They were named Business of the Month for April, 2021 by the Ontario Chamber of Commerce, Inc.

The 19-year old company works directly with clients and their engineers to create and deliver customized heating/air/ventilating ducts and systems products from raw aluminum or galvanized steel. Co-owners Chris Lockwood, with experience in fabrication, and David Byrns, with experience on installation, each bring 25 years of knowledge & dedication to the business, stated that *"we know our client's needs well and they are well acquainted with us. We are never too big or too busy to serve every customer, from individual homeowners to large scale commercial projects. The customer brings us the job and we design and create it from scratch"*

Located in the former Peter Parts' Electronics' site, the business has a unionized shop of 25 to 30 skilled & highly experienced employees. They are the only fabricated HVAC shop in the northeast and pride themselves on 3 – 5 days to 6-month production turn-around, depending on the job. Their clients range from the recently built Intergrow Enterprises on Timothy Lane in Ontario and school facilities in Sodus, Victor, Ontario, Fairport, Williamson, Newark to an area Amazon distribution center, Eastman Kodak and City Mattress stores and hospitals, colleges and residential jobs.

With the impact of the COVID Pandemic, they are witnessing an increase in raw material impact and supply sources and have increased their inventory to ensure that no jobs are delayed. The business is open from 8:30 a.m. to 6:00 p.m. on Monday through Thursday, from 8:30 a.m. to 5:30 p.m. on Fridays and on Saturdays from 9 a.m. to 1:00 p.m.

For 21 years, the Business of the Month program has recognized both new and established Ontario businesses. A road side yard sign with customized rider provides community recognition and public notification appears in local news media, on the Chamber's website @ www.ontarionychamber.org, in its bi-monthly newsletter and on the business development lobby display at the Ontario Town Hall/Public Library @ 1850 Ridge Road.
