## WAYNE CENTRAL EDUCATION FOUNDATION

The Wayne Central Education Foundation is beyond honored to announce that it will be awarding seven grants to Wayne Central School District teachers.

The Foundation was able to provide these grants due to the amazing support from our community. Be it attending a food truck event in the pouring rain, flamingo flocking your friends or donations from the families and businesses. This has enabled the Foundation to make a difference in the community.

Since their start in 2018, the Wayne Central Education has donated in excess of \$10,000 to the Wayne Central School District. This has been gone in the form of grants, gifts and scholarships to graduating seniors.

The mission of the Wayne Central Education Foundation is to provide financial support for the education, co-curricular activities and programs within the Wayne Central School District. The Foundation is a charitable organization, separate from the school district, founded to provide funding to enrich the educational experience for the students in the Wayne Central School District. You can learn more about the Wayne Central Education Foundation by visiting their Facebook page.

The teacher recipients of this year's grants are:

Jill Johnson, a teacher in Wayne Elementary

Monica Bays, a teacher in the Wayne Middle School

Darlene Martino, a teacher in Wayne Primary

Hope Lash, a teacher in Wayne Primary

Gail Streeter, a teacher in the Wayne High School

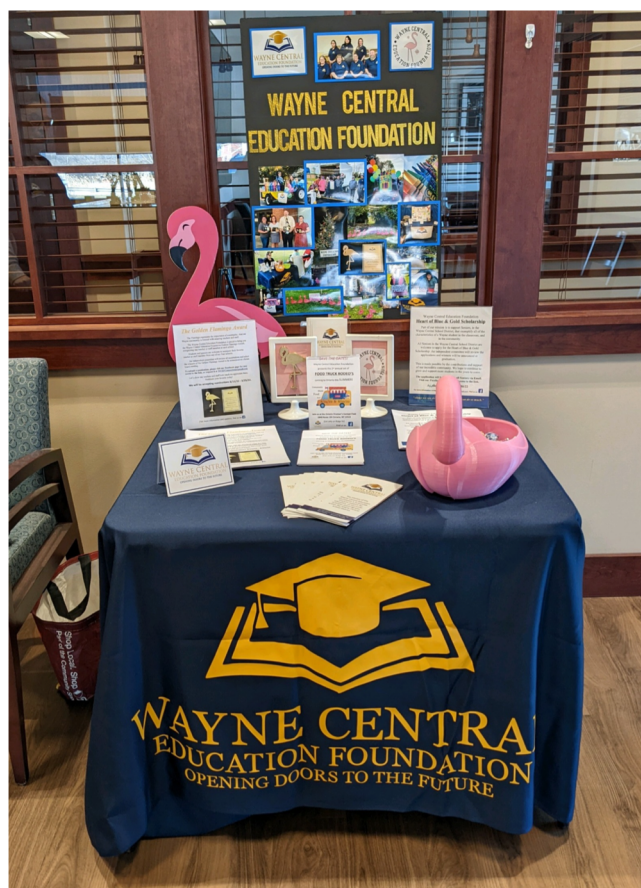

Jacquelyn Courtney, a teacher in the Wayne High School

Tim Thomas, a teacher in the Wayne High School

Congratulations to the teachers and THANK YOU for all you do for our students. (Photo on pg. 2)

## ONTARIO FIRE COMPANY STATION THREE CELEBRATES GRAND OPENING

Pg. 3

Ontario Fire Company Station Three opened its doors to the public and held a grand opening ribbon cutting celebration on Feb. 27, 2022. The facility is located on Lakeside Road, near the Berg Rd. intersection. The expansion redeveloped and renovated a former commercial/industrial building with added new construction consisting of a breezeway connecting to two large garage bays for equipment and vehicles. MRB Group was the local project engineer. Connors-Haas located at 6337 Dean Parkway, Ontario, was responsible for all of the electrical work.

The Ontario Chamber of Commerce congratulates the Ontario Fire Company on this accomplishment and thanks them for their volunteer service by providing continued fire protection to our local and surrounding communities.

***QUICKBOOKS FOR SMALL  
BUSINESSES AND  
NONPROFITS, LLC.***  
*2004 Stevens Street  
Ontario, NY 14519*

Quickbooks for Small Businesses and Nonprofits, LLC, owned by Diane Costenoble is the March, 2022 Ontario Chamber of Commerce, Inc. Business of the Month. The home-based business is located at 2004 Stevens Street in Ontario, NY.

Diane has worked for many years for multiple churches and nonprofits as a fulltime Bookkeeper and Treasurer keeping track of donations and paying bills. In 2017 she moved back to Ontario working for a custom homebuilder as a fulltime Bookkeeper. The past four years she has been developing her own business and currently works remotely for two CPA's and helps with estates; investments; and taxes. She also has local customers and tracks income and expenses. The past year Diane has offered individualized training for businesses on Quickbooks to help them setup the program and produce financial reports. Diane noted that Quickbooks is an Intuit product specializing in accounting software. Her business offers services in bill paying; income accounting; financial reports as needed and assistance with auditors.

She is looking to grow her business and is working with Quickbooks to obtain her payroll certification and become a Quickbooks Pro Advisor. Diane believes in giving back to the community and is a volunteer at the Rochester Family Mission as a Bookkeeper for the last three years. She said her business offers "versatile and flexible bookkeeping". Calls are accepted day or evenings at 301-602-9482 or email: [dcostenoble26@gmail.com](mailto:dcostenoble26@gmail.com). Quickbooks for Small Businesses and Nonprofits, LLC can be found on Facebook and LinkedIn.

*At Mamia's Island we make homemade meals based on family recipes passed down for generations. We cook healthy food for your family so you don't have to. Buen provecho!  
"Cocina Tradicional campesina"*

People come from all around to enjoy authentic Puerto Rican food at Mamia's Island. You can expect to enjoy traditional fresh and flavorful foods that you would find on your grandma's table in Puerto Rico including stewed meats, roasted chicken and pork, yellow and white rice, and veggie or sausage beans. Contrary to popular belief, Puerto Rican food is not spicy. In fact, their flavors come from Sofrito, an aromatic paste of herbs and spices that is made fresh in house every week. Mamia's Island is located at 1808 NYS Rt. 104 in Ontario, New York and is easy to spot with its Caribbean blue color, reflective of the brightly colored homes in Puerto Rico. Neymaris Sierra and Andrew Stewart, owners and operators, tell us they have exciting changes coming in the Spring. "We have such wonderful customers that come from all over. We are creating a green space outside where families can relax and play together." Mamia's Island is open Tuesday through Friday 11:30 am - 7:00 pm and Saturday 12:00 pm - 5:00 pm (closed Sunday and Monday). Catering is available. Be sure to follow Mamia's Island on Facebook at <https://www.facebook.com/mamiasislandrestaurant/>. Phone: 315-333-1245.
