Ginna Clean Energy Center Helps Pultneyville Fire & Water Rescue Replace Generator with \$20,000 Donation

Ontario, NY (Jan. 29, 2024) – The R.E. Ginna Clean Energy Center has donated \$20,000 to Pultneyville Fire & Water Rescue to help the volunteer fire station replace its electric generator.

R.E. Ginna Site Vice President Daren Blankenship said, “While Ginna and our other New York Clean Energy Centers generate clean carbon-free, always-on nuclear power to a combined equivalent of more than two million upstate homes, we understand there can occasionally be localized power outages, particularly during bad weather. We’re glad to help Pultneyville Fire & Water Rescue secure a new generator to make sure their firehouse never goes dark.”

The new generator is expected to be installed at the station this spring.

“This donation from Constellation’s Ginna Clean Energy Center is another demonstration of their commitment to supporting local communities,” said Wayne County Board Chair and Town of Williamson Supervisor, Tony Verno. “The old generator was failing, and we appreciate being able to install a new, reliable system that will benefit our dedicated volunteer firefighters and the communities they serve.”

Pultneyville Fire and Rescue is located about six miles from Ginna Clean Energy Center and it helps support the site’s emergency planning and readiness.

The Ontario Chamber congratulates Constellation and the Ginna Clean Energy Center for supporting our local communities! Website: [constellationenergy.com](https://www.constellationenergy.com)

Ontario Chamber of Commerce January Business of the Month:

Tony Caraglio has been in the pizza food industry for 18 years and is very familiar with how the business operates. Caraglio’s Pizza has seven locations: Fairport, Gates, Hilton, Webster, West Greece, East Greece, Latta and Ontario. In addition to pizza, Caraglio’s offers an extensive menu that features fish fries; calzones; burgers; wings; subs, wraps, appetizers, salads, grilled items, sloppy plates, and desserts. For a full menu go to www.caragliospizza.com. Catering options are offered as well as a Pizza Club where you can receive coupons and updates via email. Check out the daily specials and coupons on the web.

Caraglio’s Pizza is located at 1208 NYS Rt. 104, (next to Speedway and McDonald’s) in Ontario and is open Monday to Saturday 11 am to 9 pm and Sunday 11 am to 8 pm. Delivery and take-out are available. You can order online or phone (315) 524-3000.

Both new and established businesses are recognized by the Business of the Month, in its 23rd year in 2023. A yard sign with customized rider provides community recognition along with an announcement in local news media, on the web @ <https://ontarionychamber.org/>, its bi-monthly newsletter and on the business development lobby display at the Ontario Town Hall/Public Library @ 1850 Ridge Road. Additional recognition includes a photo/feature plaque for the business and introduction at the annual awards’ banquet in September.

JOINT VENTURE – MASTRONARDI PRODUCE & INTERGROW GREENHOUSES (taken from The Packer, www.thepacker.com. May 2023)

Mastronardi Produce, a fourth-generation, family-owned greenhouse grower, has expanded its U.S. network through a joint venture formed with Intergrow Greenhouses Inc. The deal will include the acquisition of Intergrow's commercial greenhouse facilities and trucking business in the state of New York, according to a release. (Intergrow is located at 663 Timothy Lane, Ontario, NY).

The new company, Sungrow Farms LLC, adds 105 acres of high-tech greenhouse production capacity to the Kingsville, Ontario-based Mastronardi's growing network and ensures continuity of operations at local greenhouses, keeping more than 280 people employed in the workforce, the release said.

"This strategic investment allows Mastronardi Produce to offer even more flavorful, locally grown fruits and vegetables," Paul Mastronardi, president and CEO of Mastronardi Produce Ltd., said in the release "We look forward to continuing to serve our customers and delivering on our mission to inspire healthy living through Wow flavor experiences."

Sungrow Farms' greenhouse facilities have further capacity for expansion and are located in New York within a 24-hour drive of 60% of the U.S. population, the release said.

"We are thrilled to enter into a joint venture with Mastronardi Produce, the North American industry leader in greenhouse grown produce," Dirk Biemans, president of Sungrow Farms, said in the release. "This partnership ensures the continuation of our legacy as well as our commitment to our shareholders, employees and the communities we're in."

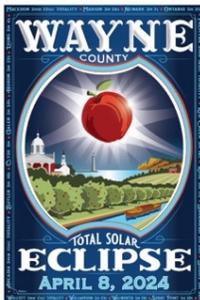

Sungrow Farms will continue to produce Intergrow cherry tomatoes on the vine in addition to growing Mastronardi Produce's high-flavor fruits and vegetables, which will be marketed under the company's award-winning brands, the release said.

Thank you to Edward Jones for coordinating this program and the volunteers of the Masons Lodge #416 delivery of the packages. For further information about this program, contact Donna Burolla at email: dburolla@gmail.com. Please call Edward Jones prior to delivering your items at 315-524-3130.

Retired U.S. Flags Collection Box

Eagle Scout Isaac Wood has completed his project of the collection boxes for worn and tattered U. S. Flags. The collection box is located at Station 3, Ontario Fire District., 6714 Lakeside Rd. You are able to dispose of your flag and the American Legion will properly dispose of them. The Ontario Chamber congratulates Isaac on his accomplishment.

It is the universal custom to display the flag only from sunrise to sunset on buildings, and on stationary flagstaves in the open. However, when a patriotic effect is desired, the flag may be displayed 24 hours a day if properly illuminated during the hours of darkness.

The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.
